RE: D.T.E. 01-54, Competitive Market Initiatives

Dear Secretary Cottrell:

Pursuant to the Department of Telecommunications and Energy's June 29, 2001 Order in the above-referenced proceeding, enclosed is an original and nine copies of Western Massachusetts Electric Company's ("WMECO") list of "Active Competitive Suppliers." The order of the parties on this list was determined by random assignment. WMECO will add parties to the list as additional suppliers meet the requirements set forth in the June 29 Order. WMECO has informed its customer representatives and provided them the list, and will make it available as a bill insert or bill message in the future. The list will be available on WMECO's website beginning July 18.

Please contact me at (860)665-3213 should you have any questions concerning the above.

Very truly yours,

Anne Bartosewicz
Manager, Regulatory Policy -
